

# Global Pick

## Great quality at great prices

- **Responsible factories:**

Only those with strict quality control and industry-leading processes are selected.

- **Value for money:**

Prices are assessed using a rigorous cost accounting system.

- **Great products:**

Products are evaluated by material, function, design, and manufacturing.

- **Careful quality control :**

We require our sellers to continuously supervise good product quality.

**Global Pick is operated and managed by TikTok Shop.**

All products selected for Global Pick are sold by our Global Selling sellers. TikTok Shop Global Selling primarily focuses on providing cross-border products, allowing international sellers to sell their products directly to consumers in other countries through TikTok. The details of the seller of each product listing under Global Pick can be found on the product detail page.
